The Overton Law Firm provides aggressive and personalized legal representation. We are built on the old-fashioned values of integrity and skill and are in tune with today's business issues.

Corporate Litigation

Representing companies in all types of business disputes

The Overton Law Firm represents and advises corporate clients who are or might become involved in a lawsuit. Each of our lawyers has more than 25 years of experience in a wide variety of corporate litigation from relatively small disputes to actions in which hundreds of millions of dollars are at stake.

Virtually every transaction can have serious financial implications. We recognize that the future of the company often hinges on a successful outcome. We take a common sense approach to resolving problems; yet we are not afraid to provide aggressive courtroom representation when necessary. Our firm carefully manages your matter from the initial pleadings through discovery, settlement negotiations, and trial in a manner that is both cost-effective and reflective of your goals.

Whether your company's problem involves complex financial transactions, complicated contractual disputes, or complex procedural matters such as class actions, The Overton Law Firm is prepared to assist. We will work with your management team to achieve your business goals. Whatever your situation, we bring our collective experience and team approach to protect your company's interests.

Employment Law

Trial attorneys for the tough cases

All of the attorneys at The Overton Law Firm have extensive employment law experience, including trials and administrative proceedings.

The Overton Law Firm provides counseling to businesses on all aspects of employment law and employee relations. We also represent executives and managers when they have been personally targeted.

Injury Law

Personal Injuries, Personal Service

The Overton Law Firm is highly experienced with cases involving serious personal injuries and death, including both motor vehicle accidents and a wide variety of products liability cases.

Cost Effective Legal Services

Results oriented and client focused

We believe that our clients are best served by experienced lawyers practicing in their areas of expertise. This enables us to better control the cost of services. We often enter into risk sharing fee arrangements that reward success and efficiency.

We currently represent clients ranging from individuals and closely-held businesses to Fortune 500 companies. Our attorneys have in-depth experience and are recognized as creative problem solvers and strategists with strong analytical and communication skills that focus on practical and effective resolution of our clients' matters.
